Location & Details

The event will be held at Mike and Betty Long's Shooting Range on Robinson River Road Rapidan, Va. A course set of remote-control automatic traps have been arranged to offer different venues of shooting experiences. It will be open to the public and will take place rain or shine.

The emphasis will be on safety first, fun second. *The entire shoot will be supervised by the experienced competitive shooters. These Range Safety Officers will oversee all the shooting and enforce the highest standards of safety as well as give basic help and instruction for beginners.*

There will be two rounds available, the first (1 course of mainly report pairs) and a **Optional Advanced Sportsmen's Shoot** (mostly simo pairs). **Participants are required to register in advance** since slots are limited. The cost includes lunch for the Pre-registered participants, as well as the cost of the clay pigeons. **The fee does not cover ammunition, ammo will NOT be available for sale due to short current supply.**

Participants must register in advance by emailing registration found at
